WASHINGTON, DC

ORDER NO. 3888

IN THE MATTER OF:

Served February 19, 1992

Motion of GREEN'S MULTI SERVICES,)
INC., to Waive Notice Requirement)

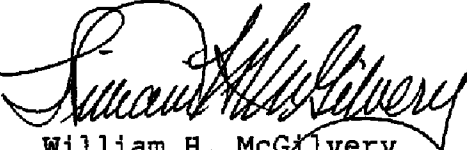

Case No. MP-92-03

By motion filed February 19, 1992, Green's Multi Services, Inc. (Green's), asks the Commission to waive the seven-day notice period for a tariff to become effective. On February 19, 1992, Green's filed its Contract Tariff No. CT-2, an agreement with the United States Department of Energy (DOE). The shuttle service covered by this agreement is scheduled to commence February 24, 1992, and to continue through February 23, 1993. The motion states, and the contract shows, that the agreement was executed by DOE and delivered to Green's on February 18, 1992.

For good cause shown, the motion of Green's Multi Services, Inc., is granted, and its Contract Tariff No. CT-3 is accepted for filing to become effective Monday, February 24, 1992.

IT IS SO ORDERED.
